EDUCATION

KIET Group of Institutions

Bachelor of Technology, Computer Science and Engineering; CGPA: 8.79/10.0

Lord Mahavira Academy

CBSE Class XII: 95.8% | CBSE Class X: 95.6%

Ghaziabad, Uttar Pradesh

Aug 2024 – May 2028

Saharanpur, Uttar Pradesh

2024 / 2022

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript, SQL

Frameworks & APIs: React, FastAPI, REST APIs, JWT Authentication

Core CS: Data Structures & Algorithms, Object-Oriented Programming (OOP)

Database: MySQL, MS Excel, Power Query

Data Science & ML: Pandas, NumPy, Matplotlib, Scikit-learn, XGBoost, Statistical Analysis, Supervised Learning

Data Visualization: Power BI, Tableau, Plotly Dash

AI & Computer Vision: OpenCV, MediaPipe, Generative AI, rPPG Systems

Developer Tools & Cloud: Git, GitHub, VS Code, Jupyter Notebook, AWS Cloud

EXPERIENCE

Data Analyst Intern

Jun 2025 – Jul 2025

NoviTech R&D Pvt Ltd [Certificate](#)

Coimbatore, Tamil Nadu (Remote)

- Analyzed large-scale datasets using Python (Pandas, NumPy) and deployed Power BI dashboards tracking 10+ KPIs, reducing data processing time by 60% through close collaboration with cross-functional teams.
- Surfaced performance trends via statistical analysis and time-series forecasting, applying strong problem-solving skills to deliver actionable insights and enable data-driven decisions across departments.

Technical Member

Oct 2024 – Present

Innogeeks Technical Society, KIET

Ghaziabad, Uttar Pradesh

- Collaborate with cross-functional teams on real-world software projects spanning data analytics, machine learning, and full-stack web development using Agile practices.
- Conduct workshops on emerging technologies including AI, ML, and Python for 50+ peers, strengthening team collaboration and technical communication.

PROJECTS

She-ield – Women's Safety Platform [GitHub](#)

Jun 2026 – Ongoing

React, FastAPI, MySQL, JWT, REST APIs, Machine Learning

- Developed a full-stack women's safety platform using React for the frontend, FastAPI for the backend, and MySQL for data storage, featuring SOS alerts, live location sharing, trusted contacts management, and secure audio recording.
- Built an AI-powered distress detection module using Machine Learning to identify emergency situations in real-time.
- Designed RESTful APIs (REST APIs) with FastAPI for secure JWT-based authentication (JWT Authentication) and seamless frontend-backend integration.

HeaLLens – AI-Powered Vital Sign & Health Analytics [GitHub](#)

Oct 2025 – Nov 2025

Python, OpenCV, MediaPipe, Machine Learning (Team)

- Built a camera-based rPPG system to monitor Heart Rate, HRV, SpO2, and Stress Levels in real-time without wearable hardware.
- Trained an AI regression model to predict Blood Pressure from HRV signals, achieving 87% accuracy enabling early hypertension screening.

Credit Card Fraud Detection [GitHub](#)

Mar 2026 – Apr 2026

Python, XGBoost, FastAPI, Machine Learning

- Built an end-to-end ML pipeline using XGBoost achieving 81% recall and 85% precision on a highly imbalanced dataset of 284,807+ transactions (0.17% fraud rate).
- Deployed a FastAPI backend with an interactive frontend for real-time transaction scoring, using stratified sampling and scale_pos_weight to handle class imbalance.

Smart Expense Tracker [GitHub](#)

Sept 2024

Python, Power BI, Pandas, Time-Series Analysis

- Developed a financial analytics dashboard tracking spending patterns and forecasting future expenses via time-series models, improving budget adherence by 35%.
- Automated anomaly detection reports to flag unusual transactions and surface actionable savings opportunities.

ACHIEVEMENTS

- Top 50 / 2000+ teams – Galgotias International Hackathon (GIH 2025) [Certificate](#)
- Top 150 – CodeVeda 2025, national-level competitive programming contest [Certificate](#)
- Participant – HackCBS 8.0, Major League Hacking (MLH) official hackathon [Certificate](#)
- Multiple Awards – Consistent recognition in inter-college coding and hacking competitions

CERTIFICATIONS

- AWS Certified Cloud Practitioner [Certificate](#)
- AWS Certified Data Engineering – Associate [Certificate](#)
- Deloitte Data Analytics Virtual Simulation [Certificate](#)
